Chapter 276. Solid Waste Article III. Dumpster Licensing

Borough of Swedesboro, NJ Friday, February 14, 2025

§ 276-27. Permit required; issuance; duration.

- A. No person, corporation, or representative of any firm shall place or permit to be placed any dumpster, oversized trash container or building materials on any public or private lands in the Borough of Swedesboro without first obtaining a permit to do so.
- B. Said permit shall be issued by the Construction **Code Official/code enforcer** following the filing of an application indicating the exact location and purpose of placement.
- C. Said application shall be submitted to the Chief of Police or his designee for review, and, after determining the safety and the appropriate nature of the location, said permit may be issued for a specific space for a **period not to exceed seven days**. Under certain conditions, a valid permit may be extended after a review by the Construction Code Official and/or code officer, and the Police Department.
